

SINGLE THREAD CHAIN STITCH

IDEAL FOR CLOSING BAGS
FOR AGRICULTURAL
PRODUCTS, ANIMAL FEEDS,
FERTILIZER, FLOUR,
CHEMICALS, ETC.

The NP-7A has a robust construction for reliable operation with minimal maintenance. Specially designed features extend the life of the equipment; plastic shock resistant isolation handle, automatic oiling system for lubrication of moving components, extra wide feed dogs, automatic thread cutting and our improved steel cam.

An overhead, suspended, spring balancer support and tape attachments are also available at an additional cost.
